(Terms of service concerning the COVID-19 PCR test)

1.陽性となった場合は保健所の指示に従います。

(I understand that a positive test result means that I must follow the guidance of the Public Health Center as a COVID-19 patient under the Infectious Diseases Control Law.)

2.PCR検査は現在採取した検体内の新型コロナウイルスの存在を確かめる検査です。

必ず臨床症状と一致するわけではないこと、症状の初期には陰性と出ることもあること、一定の確率で偽陽性・偽陰性もあることをご理解下さい。

(I understand that the test only confirms the existence (or lack) of COVID-19 within the sample collected and that therefore,early-stage infections may return negative test results.I understand that there is a certain chance of false positives or negatives.)

3.当院での検査で渡航を保証するものではありません。

(I understand that I must comply with the policy of the country which I travel to,and that I may be subject to entry restrictions or activity restrictions even with the certificate of a negative PCR test result.)

4.渡航条件をご確認の上、受検をお願いします。**※検体を採取した日時が記載されます。**

(I will check the requirements for overseas travel before taking the test. ※Testing date and time is printed on the Negative certification. Not receiving date and time.)
